

NEW YORK STATE SENATOR
Jose M. Serrano

St. Mary's Park Community Walkthrough

JOSE M. SERRANO March 21, 2024

| ISSUE: **LOCAL PARKS**

Senator Serrano participated in a walkthrough tour of St. Mary's Park, located in the South Bronx. Alongside NYC Parks, local officials, and community leaders, participants had the opportunity to discuss ways to maintain the cleanliness and safety of the park, ensuring that it remains an enjoyable destination for all visitors. As one of the original six parks in the Bronx, St. Mary's Park has continually evolved to provide Bronxites with recreational facilities to fit the needs of the community. This walkthrough allows community members and local officials to remain updated on the state of the park, ensuring that necessary improvements can be made in a timely manner.
