Cycle With the Senator Saturdays in August

MALCOLM A. SMITH August 5, 2014

Join State Senator Malcolm A. Smith (D-Hollis) every **Saturday in August for Cycle with the Senator**, a program aimed at promoting exercise and good health.

Senator Smith will also be demonstrating the importance of bike safety, wearing a helmet and posing for photos with constituents. He encourages those who snap pix with him to post them to social media, setting an example for others to "move" on the path to good health.

Above, Senator Smith poses for a selfie with members of the Alpha Kappa Alpha Sorority and WBLS radio personality Dr. Bob Lee.
