

NEW YORK STATE SENATOR
Joseph E. Robach

Senator Robach Breaks Ground at the George Eastman Museum

JOSEPH E. ROBACH January 6, 2020

| ISSUE: **RECREATION AND TOURISM**

An exciting day for one of Rochester's best resources as we broke ground on the new Visitor Center at the George Eastman Museum. This modernization project will provide enhanced amenities and greater access for museum guests, volunteers and staff. Special thanks to Mr. Thomas Tischer, who donated considerable funds to this project, and to all of the donors who helped make this project possible.
