It will help those who already have Medicare, as well as people soon to be 65 or assisting relatives and friends with their medical decisions and paperwork.

The engaging, interactive program outlines the various parts of Medicare and lays out the costs associated with the medical and drug insurance provided by the government and private companies. Topics include:

- Original Medicare
- Medicare Advantage Plans
- Prescription drug plans (Part D)
- Medigaps (supplemental plans)
- Various cost-saving programs (MSPs, Extra Help, EPIC, etc.)

**Walk-ins welcome, but pre-registration requested at 231-3236.
