

Metropolitan Transportation Authority Presents

Kawasaki Rail Car, Inc. New M-9 Railcar Fleet MWBE Supplier Diversity Outreach Event

The MTA and Kawasaki cordially invite the MWBE community to meet with Kawasaki and their major subcontractors in an effort to achieve MBE & WBE Compliance to manufacture M-9 Railcars through an LIRR/MNR joint procurement. Kawasaki and their major subcontractors will be available to provide an overview of the M-9 Railcar Project and potential subcontracting opportunities through a series of panel discussions, networking opportunities, and **Railcar and Components Tour at the Kawasaki Yonkers Plant.**

Potential Subcontracting Opportunities Include:

Kawasaki Rail Car, Inc.	Field Service; Logistics; Cable Fabrication; Assembly; Technical Consulting
Fuji Electric Corp. of America	Magnets; PCB Assembly; Electronics Testing
Khrome Product Transport Inc.	Seat Frames and Covers
Knorr Brake Company	Brakes; Pneumatic Operating Unit, Air Supply Unit, Electric Controls and Caliper Machining and Assembly
LECIP Inc.	Wire Harness; Polymer/Rubber Gaskets
TransTech	Sand Castings; Molded Rubber Polyester and Glass Components; Testing
Wabtec Group Wabco/Microphor/Bach-Simpson	Coupler and Event Recorder Assembly; Custom Metal Fabrication; Bathroom Module and Waste System; Field Support; Commissioning
