

What I'm Thankful for

Hi my name is Nikko Pesce and since Thanksgiving is coming up this is a passage of what I'm thankful for and why I'm thankful for it.

I'm am thankful for being in and having a good family. I'm thankful for this because without my family I have no one else to go to. Also because obviously they love me and I love them and that they nourish me and take care of me. This is why I'm thankful for my family.

I'm also thankful for my friends. I'm thankful for my friends because they make me laugh they help me get through tough times and they help me and are nice to me. I like lots of my friends because of their personality and not what they look like but that's besides the fact that they are plain out nice and careful. These are some reasons of why I'm thankful for my friends.

Another thing I'm thankful for if my dog. I'm thankful for my dog because she is there for me (most of the time) and she loves me and I love her. I'm also thankful for her because she brightens up my family and everyone is happy with her around. My dog is a pitbull. Lots of people think pitbulls are mean dogs because on tv people get attacked by them. That's not true because the way a dog acts is by how it is treated. My dog is a very nice dog and people of scared of her because of her looks as her being a pitbull but if I was scared I would not be writing a section on her.

These are all of the things I'm thankful for and thank you for your time.
