

NEW YORK STATE SENATOR

Cordell Cleare

## NY law requires educational materials about anaphylaxis, autoinjectors for teachers

RICHARD GAWEL September 26, 2023

NY law requires educational materials about anaphylaxis, autoinjectors for teachers

"**New York Gov. Kathy Hochul** has signed legislation that requires the state's commissioner of health to provide written information on how to recognize anaphylaxis and use epinephrine autoinjectors to the state's teachers.

Sponsored by **Sen. Cordell Cleare** and **Assemblymember Linda B. Rosenthal**, Senate Bill S209A goes into effect immediately."
