Robert G. Ortt

Statement From Senate Republican Leader Rob Ortt On Announced Extension of the Seneca Nation Gaming Compact

ROBERT G. ORTT December 1, 2023

| ISSUE: **SENECA NATION, GAMING AND WAGERING**

Lockport, NY – I am pleased that a temporary extension of the current Gaming Compact between the Seneca Nation and New York State has been reached. However, the Governor must continue to work towards a long-term agreement for the benefit of Niagara Falls and Western New York. Any future agreement must prioritize the host communities and benefit not only New York State but the people of the Seneca Nation as well.
