Finger Lakes Extrusion in the Town of Hopewell, Ontario County celebrated its 25th anniversary this year. To mark this milestone and the company's longstanding commitment to the community, Senator Helming presented Finger Lakes Extrusion with the New York State Senate Empire Award.

She also presented a Senate Proclamation to retiring founder and president, Bill Scott. His children, Erica and Phil, will now lead the company, carrying on the legacy their dad built. Finger Lakes Extrusion is a leading manufacturer of flexible plastic tubing products in the performance plastics industry.
