Senator Lea Webb said, “It continues to be the privilege of a lifetime to serve working families in Broome, Cortland, and Tompkins Counties. I am proud to show up with your best

interests at heart, and fight for meaningful change in our day-to-day lives. Together, over the past year, we have managed to increase funding for our communities, improve infrastructure, support our children's education, and boost maternal health support. I look forward to continuing this important work for Senate District 52 in the new year and pushing for greater affordability, stronger environmental protections, and more accessible rural resources, while always making sure the Southern Tier has a seat at the table.”
