

## 2023-K955

Assembly Resolution No. 955

BY: M. of A. Simon

MEMORIALIZING Governor Kathy Hochul to proclaim  
March 14, 2024, as Dyslexia Awareness Day in the  
State of New York

WHEREAS, It is the sense of this Legislative Body that the State of  
New York is committed to equal educational opportunities by identifying  
obstacles to educational advancement and helping to remove those  
obstacles; and

WHEREAS, Dyslexia, which often runs in families, is a language-based  
learning disability that is neurobiological in origin and interferes  
with language processing, accurate and/or fluent word recognition,  
spelling and decoding abilities and reading comprehension despite  
average or above average intelligence; and

WHEREAS, Dyslexia varies in severity ranging from mild to profound  
and is characterized by a combination of difficulties with phonological  
and orthographic processing leading to difficulties in reading, writing,  
spelling, handwriting and/or math which can create a wide gap between an  
individual's intellectual ability and their academic and/or personal  
achievement; and

WHEREAS, Dyslexia is identifiable as early as 4-6 years of age and  
early intervention is beneficial as the negative consequences are highly  
preventable through effective, direct instruction in the five pillars of

reading identified in 2000 by the National Reading Panel of the National Academy of Sciences, namely phonemic awareness, phonics, fluency, vocabulary and comprehension; and

WHEREAS, Dyslexia can affect anyone, regardless of race, gender, culture or socioeconomic status and impacts up to 20% of the population; and

WHEREAS, Imparting to our children literacy skills built on the five pillars of reading can ensure that the benefits of good literacy instruction will accrue to improved educational and life outcomes for New York's children; and

WHEREAS, Literacy skills for everyone is an important goal for the State of New York and because dyslexia affects a high percentage of our struggling readers, it is important that we recognize and address this issue head on so that each person in New York has the opportunity to be able to learn, read and spell proficiently and reach their full potential; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to memorialize Governor Kathy Hochul to proclaim March 14, 2024, as Dyslexia Awareness Day in the State of New York; and be it further

RESOLVED, That a copy of this Resolution, suitably engrossed, be transmitted to The Honorable Kathy Hochul, Governor of the State of New York.
