S6980A Requires the dissemination of written materials regarding child access prevention and the safe storage of firearms to students and/or persons in a parental relationship to such students at the beginning of each semester or quarter of the regular school year beginning on and after July 1, 2024. NAY

S6551 This bill would amend section 596 of the Labor Law as it relates to an individual's right to request a hearing regarding an unemployment insurance benefits claim. The bill would provide that such a hearing can be requested if benefits or a written notice of determination denying their claim are not received within thirty days of providing all required information. AYE

S6648 This bill would amend section 28-b (Credit needs of local communities) by adding a new subparagraph 10- a which would include participation in a banking development district as a factor when assessing an institution's record of performance. NAY (Would impose significant requirements on banks. Not applicable to credit unions.)

S7539 Provides grounds for attachment; relates to procedures where employees may hold shareholders of non-publicly traded corporations personally liable for wage theft; relates to rights for victims of wage theft to hold the ten members with the largest ownership interests in a company personally liable for wage theft; relates to penalties for certain wage violations. NAY (Increase costs. Too heavy handed toward business.)

S7375 DCJS DEPARTMENTAL - Would codify DCJS' authority to regulate the oversight of probation pretrial monitoring and supervision services in addition to its general supervision authority of probation services throughout the State. AYE

S6409A This bill would raise the tax abatement rate of the Green Roof Tax Abatement Program and extending certain deadlines for properties within New York City. Furthermore, it would remove some of the restrictions that have been barriers to participation within the program. AYE

S7518 OCA DEPARTMENTAL - Authorizes the state board of law examiners to procure proper and suitable quarters for such board in the county of Albany. AYE

S7342A Adds a tax abatement for electric energy storage equipment for certain properties in a city of one million or more persons to state that on or after January 1, 2024 and before January 1, 2026, the amount of the tax abatement would be the lesser of either (i) 10 percent of eligible electric energy storage equipment expenditures in each year of the compliance period, (ii) the amount of taxes payable in such tax year, or (iii) \$62,500. AYE

S3249 Amends the executive law, multiple dwelling law, multiple residence law, the administrative code of the City of New York and the New York City building code to require the installation of smoke detectors in common places of certain dwellings. NOTE - multiple dwellings mean a rented, leased, let or hired out, to be occupied or is occupied as the temporary or permanent residence or home of three or more families living independently of each other.
