

NEW YORK STATE SENATOR

Patrick M. Gallivan

Senator Gallivan Tours Bills Stadium Construction Site

JIM RANNEY June 17, 2024

| ISSUE: **BUFFALO BILLS**

Senator Patrick Gallivan toured the site in Orchard Park where a new stadium for the Buffalo Bills is being constructed and got an update on the massive project.

The steel skeleton of the stadium continues to take shape as workers also install precast walls and stairs.

About 450 workers are employed at the site each day with more expected as the project progresses.

The stadium is scheduled to open in time for the 2026 NFL season.
