Statement from Senator Jim Tedisco on Assemblywoman Mary Beth Walsh Being Named Assembly Minority Leader Pro Tempore

JAMES TEDISCO December 16, 2024

| ISSUE: [ASSEMBLYWOMAN MARY BETH WALSH, ASSEMBLY, APPOINTMENTS](#)

“As I often say, all good things come from the 44th Senate District, and in this case, also the 112th Assembly District which is partially contained in it! Congratulations to my good friend and outstanding colleague Assemblywoman Mary Beth Walsh on her appointment as Assembly Republican Floor Leader. As the former Assembly Republican Leader, I know how important this legislative position is in standing up for the taxpayers and constituents of New York and being a

strong voice and loyal opposition to some of the harmful things coming out of Albany. This leadership position will elevate Assemblywoman Walsh to a place where she can represent her entire constituency even more effectively.”
