Samra G. Brouk

Senator Brouk Statement on Border Czar Tom Homan's Visit to the New York State Capitol

SAMRA G. BROUK March 13, 2025

March 13, 2025 (ALBANY, NY): Yesterday, **Senator Samra Brouk (SD-55)** was joined by dozens of her colleagues in the Senate, Assembly, and advocates from across the state in Albany for an urgent press conference in response to President Donald Trump's Border Czar Tom Homan's Anti-Immigrant agenda. Please see her full remarks [here](#).

As a daughter of an immigrant and a proud representative of the diverse communities in her district, Senator Samra Brouk prioritizes the safety and wellbeing of New York residents. In the face of unconstitutional federal actions, the Senator remains committed to protecting

our most vulnerable community members. The solidarity displayed by legislators in Albany yesterday conveyed a strong message: New York State will defend its immigrant community against threats from Washington.
