BRONX-Once again Orchard Beach saw an explosion of colors and charisma as Senator Klein and Bronx Borough President Carrion hosted the 3rd Annual New York Salutes America Celebration.

Over 5000 people swarmed the beach for an evening of live music, face painting, carnival fun, and a private BBQ reception.

The West Point Color Guard kicked off the opening ceremonies as the NYC Transit Pipes and Drums, joined by dozens of Bronx veterans, lead the crowd in Amazing Grace. As Alive 'n

Kickin' entertained audiences with classics and pop standards alike, children caroused through the crowd while friends and neighbors enjoyed the summer's eve.
