STATEMENT FROM STATE SENATOR KEVIN PARKER COMMEMORATING SEPTEMBER 11TH 21ST SENATE DISTRICT

“Eight years ago, America was attacked on a scale never before imagined. As we remember the day that changed our country forever, let's take time to honor the men and women who continue to fight for our freedom and safety every day, from our courageous local police and firefighters, to the military men and women serving our country.”

"The anniversary of 9/11 is always one of incredible sorrow. But it is also an opportunity for Americans to remember what binds us - our love of freedom and democracy. The memory of 9/11 will continue to live on through us and will never be forgotten.”
