Michael F. Nozzolio

Join the Fight to Restore STAR Rebates

MICHAEL F. NOZZOLIO September 17, 2009

| ISSUE: **FINANCE**

The new State Budget, put together behind closed doors, took away your STAR property tax rebate checks. The loss of these checks will cost individual homeowners throughout our state hundreds of dollars. Senator Nozzolio voted against the budget because it took away your rebate checks and raised taxes by an average of \$2,400.00 for you and other families.

Senator Nozzolio has fought hard to get the STAR rebate program into law, and he will fight just as hard to get it back. Sign up below to join the fight to restore your STAR rebate check!
