Relief for Victims of Earthquake in Haiti

DIANE J. SAVINO January 13, 2010

| ISSUE: **FAMILIES, CLIMATE CHANGE, HEALTH CARE**

After the devastation caused by the massive earthquake in Haiti, large numbers of people within the country are in desperate need of assistance. I am urging all of you to contribute to relief efforts by clicking on the link below and contribute to one of the organizations listed. Our thoughts go out to all of those that were affected by these events and the families and loved ones within our communities.
