Senator LaValle Comments on Edwin M. Schwenk Memorial Nature Preserve

KENNETH P. LAVALLE June 30, 2010

| ISSUE: **RECREATION AND TOURISM**

“I am pleased that both houses have supported legislation I sponsored in the Senate to create the Edwin (Buzz) M. Schwenk Memorial Preserve. It is indeed a fitting tribute to Buzz, who was a staple of East End politics with an amazing ability to charm people through his expression and delivery. His humanistic spirit and sense of compassion are sorely missed. The dedication of this preserve will ensure that Buzz’s legacy will long endure the passage of time.”
