

NEW YORK STATE SENATOR

Andrew J. Lanza

Lanza Introduces Legislation That Would Give Senior Citizens 50% Discount for Bridge and Tunnel Tolls

ANDREW J LANZA August 2, 2010

| ISSUE: **SENIORS**

Senator Lanza's bill, S.6238, requires the MTA to offer seniors a 50% discount on bridge and tunnel tolls.

“Many of our seniors, who live on fixed incomes, are finding it more and more difficult to make ends meet,” said Senator Lanza. “The cost of food, gas, utilities and prescription drugs have increased substantially while their income remains the same. This bill will provide some relief to our seniors who travel.”
