Statement From NYS Senator Joseph P. Addabbo, Jr. on Primary Day Problems

JOSEPH P. ADDABBO JR September 15, 2010

| ISSUE: **ELECTIONS, GENERAL, HAVA (HELP AMERICA VOTE ACT)**

Queens, NY, September 15, 2010 – "As chair of the State Senate's Elections Committee, I intend to discuss with the Board of Elections the issues and concerns expressed to me by voters and poll workers regarding the new voting machines used on Primary Day. I believe we all anticipated some issues, since these new machines were being used for the first time ever by millions of registered voters throughout New York State. Now we must find practical solutions so that our voters have an efficient and reliable General Election in November."
