Senator Reverend Ruben Diaz to Blabbeando: Thank You!

New York State Senator Reverend Ruben Diaz issued the following remarks today in response to online postings by Blabbeando about the Senator's repudiation of the widely reported predatory attacks of two gay men in The Bronx:

q

"I deeply appreciate the honesty of blogger Blabbeando to correct himself on his website and through his twitter account about the press release I issued on Saturday expressing my outrage about the heinous crimes committed by Bronx youth on Osborne Avenue.

q

q

Even though Blabbeando criticizes me, I love honesty – and unlike Gerson Borrero – Blabbeando is honest.

q

q

I publicly thank Blabbeando for his sincerity and for his refusal to perpetuate any claim that I was “mum” over the weekend.”
