Community Connection for Week Ending November 5, 2010

JOSEPH E. ROBACH November 5, 2010

Over the course of the next week, there will be a number of Veteran's Day services, memorials, and other events to commemorate this very important day.

Throughout the week, visit my Facebook page and website to review the different events that are taking place around my district. Some of these are listed in the right-hand side column.

I hope that you and your family will be able to make one of these events to honor those who have given so much for our country and our freedom. Best wishes to all our military personnel, past and present, for a Happy Veterans Day.
