Senator Joseph Addabbo Statement on High Schools Report

JOSEPH P. ADDABBO JR February 15, 2011

| ISSUE: **EDUCATION**

FEBRUARY 15, 2011

While I am concerned about the conditions mentioned in the report regarding the area high schools, I am pleased that the New York State Department of Education/New York City Department of Education Joint Intervention Team has recommended to keep the schools open. I intend to work with the DOE to ensure that the best education possible is provided for the young students and their families. It is time to move ahead and work together to help these students achieve success.
