New York State Department of Transportation

New York State Department of Transportation (NYSDOT) Acting Commissioner Joan McDonald and New York State Thruway Executive Director Michael Fleischer are today reminding motorists to report potholes on the State's highway system by contacting 1-800-POTHOLE (1-800-768-4653), the state roadway hotline for reporting these trouble-spots. The toll-free service is available across upstate New York and in Nassau and Suffolk counties. Potholes found on county, town, city and village streets, or private roadways should be reported to the appropriate owner.
