Senator Charles J. Fuschillo, Jr. (R-Merrick) today held Mobile Office Hours in Farmingdale, where he met individually with constituents and listened as they voiced their concerns about several different issues.

"It was wonderful to have the chance to speak to residents one-on-one, talk about what's important to them, and provide assistance if they needed it. I thank all the

Farmingdale residents who took the time to come to the Library and meet with me," said Senator Fuschillo.

Senator Fuschillo's Mobile Office Hours brings government services directly to residents in their own community. As part of the program, residents who need assistance with government services, have questions about government programs, or would like to express concerns about a particular issue have the opportunity to share them with Senator Fuschillo in a one-on-one setting. Senator Fuschillo holds Mobile Office Hours in communities throughout his Senate district.
