

NEW YORK STATE SENATOR

Malcolm Smith

Statement From Senator Malcolm A. Smith

MALCOLM A. SMITH March 26, 2011

“I would like to extend my deepest condolences to the family of Geraldine Ferraro. She broke barriers for women in politics when she became the first woman Vice Presidential Candidate on a major party ticket.

I had the pleasure to work for her in my first national political position when I joined her Advance Team when she ran for Vice President.

She was a remarkable woman and will be sorely missed.”
