

NEW YORK STATE SENATOR

Dean G. Skelos

Statement by Senate Majority Leader Dean Skelos on Three-Way Budget Agreement

DEAN G. SKELOS March 27, 2011

| ISSUE: **BUDGET**

"This budget agreement keeps our Senate Republican commitment to reduce spending, cut taxes and empower the private sector to create jobs, and will begin to put New York on the path to fiscal recovery. By working together to reach consensus on a responsible spending plan that eliminates a \$10 billion deficit without raising taxes, we have tightened our belt and protected middle-class families in every region of this State. I am particularly pleased with Governor Cuomo's commitment to making UB2020 a reality, which will bring jobs and hope to Western New York, as well as improvements to the other university centers, which are important priorities of our Senate Republican conference. Today's developments ensure we are moving full speed ahead to an on-time budget."
