Senator Charles J. Fuschillo, Jr. (R-Merrick) today held Mobile Office Hours in Copiague, where he met individually with constituents and listened as they voiced their concerns about a number of different issues.

"I thank all the Copiague residents who took the time to come to the Library and meet with me today," said Senator Fuschillo. "It was wonderful speaking with them, listening to

what they felt was important, and provide assistance if they needed it.”

Senator Fuschillo’s “Mobile Office Hours” brings government services directly to residents in their own community. As part of the program, residents who need assistance with government services, have questions about government programs, or would like to express concerns about a particular issue have the opportunity to share them with Senator Fuschillo in a one-on-one setting. Senator Fuschillo holds “Mobile Office Hours” in communities throughout his Senate district.

Copiague residents who were unable to meet with Senator Fuschillo at his Copiague Mobile Office Hours but have an issue they would like to discuss with him can call his office at 516-882-0630 or email him at fuschill@nysenate.gov.
