

NEW YORK STATE SENATOR

Joseph E. Robach

Community Connection for Week Ending May 8th

JOSEPH E. ROBACH May 6, 2011

Over the past five years, our community has suffered multiple tragedies as a result of drivers texting while driving. I am hopeful that the Assembly will soon pass this legislation and make this the law in New York State.

If this law will make drivers think second before texting while driving, it will have done its job. We can prevent future tragedies from taking place as a result of texting and driving.
