| ISSUE: **EDUCATION**

Senator Jack M. Martins visited with students at the Clara Carlson school and participated in a class lesson! The visit by Senator Martins was part of his 7th Senate District tour of schools, programs and services that impact communities. "The students at Clara Carlson School, Principal Ken Rosner and Supt Al Harper made me feel right at home in the Elmont community. I was really impressed by all the hard work our young people put into their lessons and class projects. I also want to thank the Clara Carlson School "family" for the invitation and inviting me to the school, I had alot of fun," said Senator Martins.
