Family Day at River Park Towers!

JOSÉ M. SERRANO July 8, 2011

Senator Serrano, his father, Congressman Jose E. Serrano, and Assembly Member Vanessa Gibson joined the River Park Towers Community for Family Day in Roberto Clemente State Park. This yearly celebration is an opportunity for the River Park Towers Community to come together with family and friends and enjoy time outdoors.

"Each year, it's a joy to get together with the River Park Towers community to celebrate the summer season and meet with my constituents," said Senator Serrano. "This is a wonderful family tradition that I hope continues for many years to come."
