

NEW YORK STATE SENATOR

Dean G. Skelos

Statement by Senate Majority Leader Dean Skelos

DEAN G. SKELOS August 16, 2011

The approval of a new five-year contract by CSEA is victory for all New Yorkers. I applaud Governor Cuomo, CSEA President Danny Donohue and the members of CSEA for achieving a deal that will save taxpayers \$73 million this fiscal year, and will help ensure a balanced state budget, avert layoffs and maintain vital state services.
