Senator Charles J. Fuschillo, Jr. (R-Merrick) and Assemblyman Dave McDonough recently congratulated Merrick resident Dr. Keith Pastuch, founder of the POP's softball league, on another successful season.

POP's softball is a league for men ages 40 and over. Founded by Dr. Pastuch 13 years ago, the league gives men over 40 a way to play in a competitive environment against other men their own age. The league has grown to over 35 teams.
