Jesse Hamilton, Team Adams Constituent Liason, joined Church Avenue BID board members at Uncover Church Avenue, a public art contest event. Local artists and community members submitted designs and the program's Design Committee chose the winning artworks. The winning artists will then install murals of their designs on select solid roll down gates and building fronts along Church Avenue between Argyle Road and Coney Island Avenue, with the hope of attracting new business to the area. Uncover Church

Avenue is funded by the NYC Department of Small Business Services through its Avenue NYC program.
