| ISSUE: **JOBS & EMPLOYMENT**

One of the main focuses in the improvement of Western New York is bringing and finding jobs locally around the area. As the State Senator for the 60th district below are key links and articles to assist the constituents of Buffalo, Grand Island, and Niagara Falls looking for employment, and helpful hunting tips. Not only is it important to find an open job in the city but to be completely prepared when that interview day comes. This website is dedicated to you and your search for employment. As the community grows and new information is available it will be updated to the website. We welcome your feedback, if you have any questions or comments please contact us at: Buffalo.grisanti@gmail.com
