Senator George Maziarz is pleased to announce that he has earned an “A” grade from the New Yorkers for Better Libraries Political Action Committee. This PAC recently released rankings of state legislators based on legislative support for libraries and library users.

This high grade was calculated using a number of factors, including support for Library Aid in the state budget, sponsoring or co-sponsoring pro-library legislation, and voting records on library-related bills. For more information, visit www.newyorkersforbetterlibraries.org.
