Senator Adams joined the New York State Black, Puerto Rican, Hispanic and Asian Legislative Caucus and a coalition of elected officials and union leaders gathered on the steps of City Hall in support of extending the millionaires' tax in New York. The millionaire's tax will increase the tax for individuals whose annual income exceeds \$250,000. With a budget gap in the billions, New York State is facing steep reductions in addition to the dramatic cuts over the last three years in education, health care and transportation.
