

NEW YORK STATE SENATOR

George D. Maziarz

HEAP applications accepted beginning November 16

GEORGE D. MAZIARZ November 14, 2011

| ISSUE: **ENERGY, HEATING, TELECOMMUNICATIONS**

| COMMITTEE: **ENERGY AND TELECOMMUNICATIONS**

HEAP is a federally funded program that provides heating benefits to supplement a household's annual energy cost. HEAP also provides emergency assistance for households in a heat or heat related energy emergency. Additionally, HEAP assists with furnace repairs and/or replacements for households with inoperable heating equipment.
