One of the best parts of my job is being able to celebrate milestone events and achievements of people living in the communities I represent.

That was the case today, when I presented a Senate proclamation to Mrs. **Pearl Puterbaugh**, who was celebrating her 101st birthday with friends at the St. Joseph's Home in Ogdensburg.

I thanked Mrs. Puerbaugh for all she has done for our community and wished her many more birthdays to come.

If you know someone who is celebrating a landmark event, or had a recent accomplishment that you feel deserves special recognition, please let me know by contacting my office, or send me an email.
