

NEW YORK STATE SENATOR

David Carlucci

Statement by Senator Carlucci Regarding Millionaire's Tax

DAVID CARLUCCI December 7, 2011

"I support the millionaire's tax to provide relief for New York middle class families in these tough economic times. Going forward we have to ensure that any additional revenue generated goes to restoring cuts, not adding additional spending.

I'm also eager to get back to Albany to make sure we repeal the onerous, job-killing MTA payroll tax that is crushing our small businesses here in Rockland and Orange counties.

I look forward to working with Governor Cuomo to ensure that we make New York more affordable for homeowners while finding ways to grow our economy and create jobs."
