

NEW YORK STATE SENATOR

Joseph E. Robach

Community Connection for Week Ending December 18th, 2011

JOSEPH E. ROBACH December 16, 2011

Once again this year, the response was tremendous, and hundreds of coats, hats, gloves, mittens, and scarves were donated.

A special thank you to the students at Merton Williams Middle School in Hilton for donating over 30 bags of winter apparel! I would also like to thank the Spino family for their kind donation as well!

Although this year's drive has concluded, feel free to drop off any winter clothing you would like to donate and I will distribute it to the needy.

All the best to you and your family this holiday season!
