New York State Senator Charles J. Fuschillo, Jr. (R-Merrick) today helped put smiles on the faces of Winthrop Hospital’s child patients by delivering over 2,000 toys collected through his annual “Extend the Holidays” toy drive. Representatives from the Nassau County Sheriff Officer’s Association, Laborers Local 66, and Local 1298, all of whom participated in the program, joined Senator Fuschillo in delivering the toys to the hospital.

“Extend the Holidays” is an annual toy drive Senator Fuschillo organizes for the benefit of children in Winthrop’s Pediatric Center. The toys collected through the program are delivered after the holiday season so that children can experience the joys of receiving a holiday gift throughout the year.

“When you’re a child, there’s no better feeling than getting the gift of a new toy. For children in the hospital who are going through tough times, a new toy can really help brighten their spirits. Thanks to the generosity of all the schools, unions, and local residents and businesses who participated in this program, we collected enough toys to help give that feeling to children in Winthrop Hospital throughout the entire year,” said Senator Fuschillo.

The following labor unions and schools helped Senator Fuschillo collect toys for the “Extend the Holidays” program:

- Baldwin Middle School (Baldwin School District)
- Berner Middle School (Massapequa School District)
