Statement from Senator Rubén Díaz on Governor Cuomo’s Budget Presentation

RUBEN DIAZ January 17, 2012

| ISSUE: **BUDGET**

For Immediate Release January 17, 2012

Senator Rubén Díaz (D-Bronx) released the following statement:

“This is the first time that a Governor’s Budget Presentation contained such an emphasis on children’s education.

“Governor Cuomo today presented an incredible plan to improve the education of our children and his plan certainly caught my attention.

“There have been many occasions where I have disagreed with Governor Cuomo, but I certainly hope he continues on the path he has created to improve the education of our children.”
