Statement From State Senator Jose Peralta On The Passing of Richard Italiano

[JOSE PERALTA](#) January 19, 2012

Our community has lost a great friend, champion and leader. Richard Italiano, former chair and district manager of Queens Community Board 4, has passed away. A tireless servant of our community, Richard was open and accessible. His spirit, leadership and friendship will be sorely missed. I extend my heartfelt condolences to his loved ones and the many people whose lives he touched.
