

NEW YORK STATE SENATOR

William Larkin

Larkin Named to Senate Budget Subcommittees

WILLIAM J. LARKIN JR. February 2, 2012

| ISSUE: **BUDGET**

Work Begins Immediately To Ensure an On-Time Budget

Senator Bill Larkin (R-C, Cornwall-on-Hudson) announced that he has been asked to serve on both the Health and Mental Hygiene Budget Subcommittees in the Senate. These subcommittees review the Governor's budget proposals and report to the full Conference with recommendations on key issues in those areas.

"This is a tremendous honor for me," said Larkin. "The areas of Health and Mental Hygiene are important to my constituents and I feel it's imperative to have their voices heard during budget negotiations. I am anxious to start our in-depth review of the budget language and look forward to working with Governor to achieve an on-time budget," said Larkin.
