State Senator Hugh T. Farley (R, C, I - Schenectady) will be hosting his annual health fair on Tuesday, April 10th, from 10 a.m. to 2 p.m., at the lower level of the Riverfront Center, Amsterdam.

"Called the Community Wellness Day, this event has always been successful in delivering information on services that local agencies provide to the public," Senator Farley said. "I'm

currently in the planning stages for this year's event and am looking for local non-profit and health organizations to participate."

The health fair is geared towards people of all ages and is set during the break week for local schools so families can participate. Those unable to attend can call Senator Farley's office to obtain brochures and weblinks on health topics.

For more information about this free event, call Senator Farley's Amsterdam District Office at 843-2188.
