For the disabled and senior members of our community, it can be difficult to get around town. In an effort to provide more accessible service, New York City Transit has a mobile outreach program designed especially to serve their needs in their own communities. **NYS Senator Joseph P. Addabbo, Jr.**, is sponsoring the agency's MetroCard Van to visit his district again later this month.

A specially-equipped MetroCard Van will park at Howard Beach and Glendale locations on the dates/times above, and MetroCard Mobile Sales staff will assist residents 65+ and disabled customers in applying for Reduced Fare MetroCards. All customers may purchase and/or refill MetroCards; report a lost or stolen card; or have a damaged MetroCard replaced on-site. Seniors applying for a reduced-fare MetroCard will need to bring at least 2 types of identification to the MetroCard bus: Medicare Card, Social Security Card, Birth Certificate, Driver's License, or Non-Driver License. A photographer is available on MetroCard buses to complete applications on-site, free of charge. Disabled passengers can get an application on-site, which they must then have completed by their physician, acknowledging their

disability.
