Senator Fuschillo & Town of Hempstead Bring Passport Program to North Merrick

CHARLES J. FUSCHILLO JR. April 30, 2012

Senator Charles J. Fuschillo, Jr. (R-Merrick) recently partnered with Town of Hempstead Clerk Mark Bonilla and Supervisor Kate Murray to bring the Town's mobile passport van to North Merrick.

Senator Fuschillo arranged for the passport van to come to the North Merrick Public Library to give residents an easy and convenient way to obtain or renew a U.S. passport.

Residents who were unable to attend the program but would like more information about obtaining a passport or future mobile passport programs can call the Hempstead Town Clerk's passport division at 516-812-3100.
